Product Description

PEGGY Drawer Organizer, set of 2, charcoal

What makes Peggy unique is the adjustable tray and removable pegs that can be repositioned at any time. You choose where to place them based on your needs, which means you can create the perfect fit to accommodate your plastic food storage containers and lids, your cookware including pots, pans and lids, your mixing bowls, your cooking utensils and just about anything else you want to keep organized and in its place. Comes as a set of 2, place the bases side by side, use them separately or even combine multiple sets to accommodate larger drawers, cupboards and cabinets. With a matrix of 108 holes and a total of 32 pegs included, there's literally hundreds of available configurations which means nearly limitless storage possibilities. To ensure a perfect fit, each base can be extended up to an additional 3.25 inches and comes equipped with non-slip feet to ensure Peggy stays put.
