Product Description

Toilet Paper Holder "Please Sit Down"

The toilet paper holder "please sit down" from the series "art of living" is a special eye-catcher for your bathroom. This cool little guy is supposed to encourage men, who like to pee standing up, to sit down.

The decorative metal sculptures by Hinz & Kunst are elaborately handcrafted with a passion for detail. Every figurine is unique. The sculptures are made from steel and copper, which is bent, cut, welded and brushed to create the desired effect. This extraordinary technique gives their figurines that distinct look.
