Product Description

Lamp "Tiffany Autumn", miniature

This lamp in the "Tiffany Autumn" style features an art deco inspired metal base with rich antique patina and real porcelain shade. It is a great addition for every parlor or living room.

For more than 60 years, Reutter has been manufacturing their porcelain collections in their own production factory. Their porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look.
