Product Description

Antique Lamp "Checker Gold", miniature

As with all miniatures of Reutter Porcelain, the attention to detail can be seen here as well. From their diverse collection of miniatures, you can see here a table lamp (1:12) with a "Checker Gold" shade and a golden base. Miniature lovers' hearts beat faster at the sight of these beautiful little creations. A real pleasure for every generation.

For more than 60 years, Reutter has been manufacturing their porcelain collections in their own production factory. Their porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look.
