## Product Description

## Dress Form, Decorated, miniature

This decorative dress form with a fancy lace dress could be the heart of your sewing room.

For more than 60 years, Reutter has been manufacturing their porcelain collections in their own production factory. Their porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look.

Reutter is constantly working on rounding off and completing their collection of miniatures. They succeed in inspiring collectors all over the world again and again.
