Product Description

Advent calendar "Dresden Frauenkirche" new

From the "Frauenkirche" Dresden emanates a very strong symbolism. It is the world's most famous building of Saxony, the memorial for war and destruction as well as for peace and reconstruction. This advent calendar was created for the consecration of the rebuilt Dresdner Frauenkirche.

Its little windows are carefully placed and adapt to the forms of the architecture. Hidden behind are lovingly painted Christmas pictures. Behind the windows of the church hide details of the interior design of the Dresden Frauenkirche. Since its publication, this advent calendar has been sent all over the world, as the Dresden Frauenkirche is world famous.
