Product Description

Advent calendar "Erfurt Dom"

Erfurt is regarded as the largest heritage area in Germany and the Erfurt "Dom" together with the St. Severin Church form the landmark of the medieval city. Both churches tower above the "Dom" square from which a huge staircase leads up to them. In the tower of the Erfurt "Dom" rings the largest free-swinging medieval bell in the world, the "Gloriosa". This advent calendar invites you for a walk on one of the most beautiful Christmas markets in Germany. Behind the windows you will find Christmas motifs and pictures of typical Thuringian specialties.
