Product Description

Advent calendar "Leipzig Christmas Market"

The history of the Leipzig Christmas Market goes back to the 15th century. The Leipzig Christmas Market is one of the largest and most beautiful Christmas markets in Germany. More than 250 beautifully decorated stalls bring a cozy atmosphere to the market square in front of the Old Town Hall. The Old Town Hall Leipzig now houses the City History Museum Leipzig. The exhibitions guide the visitor through the history of the city of commerce, trade fairs and the peaceful revolution of 1989. Even the old music is firmly bound to Leipzig by Johann Sebastian Bach.

During a city tour, historical sights recall the significant history of the city, such as the St. Thomas Church and St. Nicholas Church, the Old Stock Exchange, the Old and the New Town Hall, the Old Libra, the Coffe Baum, the coffee house Riquet, the Battle of Nations Monument and Leipzig Central Station. This Advent calendar shows the atmospheric Christmas market in Leipzig. Christmas pictures behind the windows of the Advent calendar awaken memories of children's days, which warm the heart.
