Product Description

Advent calendar "Moritzburg"

Castle Moritzburg has been built by Augustus the Strong as a hunting and pleasure palace. Here the Saxon nobility celebrated lavish parties. Today you can visit the castle Moritzburg as a museum and gain an impression of how people lived and caroused in times of August the Strong. The castle includes the "Fasanenschlösschen" and the lighthouse, both of which are located in the Moritzburg pond area. Beyond Saxony, the Moritzburger carp breeding is well known, which finds its culmination every year in the autumn with the big "Fischzug" and attracts hundreds of visitors.

Today the castle Moritzburg is the perfect ambience for a dream wedding. Where the most beautiful winter fairy tale was filmed, you get married well. "Cinderella" has become a cult movie and thousands of fans come to Moritzburg every year during the Advent season to see the exhibition "Cinderella" in Moritzburg Castle. Of course, the Brück & Sohn Advent calendars from Moritzburg Castle and Cinderella should not be missing.
