Product Description

Mini Advent calendar "Colmar" (Frankreich)

This Mini Advent calendar of Colmar shows the view of the Rue des Marchands, one of Colmar's most famous streets. The French town of Colmar in Alsace with its romantic streets and half-timbered houses, countless small street cafes, churches and museums with precious art treasures such as the Isenheim Altar, traditional shops that offer Alsatian specialties, attracts thousands of tourists throughout the year.

It is a magical pleasure to explore, discover and, above all, enjoy Colmar. With this Mini Advent calendar you can make all your friends or business partners who live away from you, happy, because the greeting card with the Christmassy Colmar can be sent as well.
