Product Description

Mini Advent calendar "Salzburg Dom"

The Salzburg Cathedral was built in early Baroque and is a UNESCO World Heritage Site. The Cathedral of the Roman Catholic Archdiocese of Salzburg is dedicated to St. Rupert and Vigrit. In the center of the historic old town of Salzburg, the huge building with its baroque faade and mighty dome towers up, laterally bordering Residenzplatz and the capital square. The cathedral square is framed by the cathedral, the residence and the St. Petersstift. A magnificent place, which Hugo von Hoffmannsthal chose as the scene of events for his famous play "Jedermann".

As part of the Salzburg Festival, the annual performances of the "Jedermann" are the most significant event on the cathedral square in Salzburg. This Mini Advent calendar from the Salzburg Cathedral is wonderfully suited to make your friends, family and business partners happy with greetings from Salzburg. The 24 little windows surprise with Christmas and regional motifs.
