Product Description

Wagner & Apel - Parrot

This parrot is one of the most popular porcelain figures from Wagner & Apel, where even to this day, every piece is hand-made. Many small and big steps are necessary to transform the fine base material porcelain - primarily kaolin, feldspar, quartz and water - into a piece of art.

This colorful parrot is very similar to the form and shape of a real one. It will impress as a trendy decoration element in your home or as a gift for someone, who appreciates porcelain art.

Wagner & Apel is a manufacture from Thuringia rich in tradition. Every model is made with much dedication, patience and craftsmanship. Far from industrial mass production, every figure, every animal sculpture and every single gift item receives the utmost attention. Only if it's done by hand, it is possible to transform fine porcelain into unique showpieces.
