Product Description

Wall lamp WAND made of steel tubes

Industrial wall lamp, made of steel tubes with a characteristic light bulb, lowered on a black textile cord. Direct connection of the lamp to the electrical outlet enables to create any desired arrangement in your interior. You can use it in the living room – hang behind a sofa or near a bookshelf – a great place to read, or in the bedroom, where it can serve as a bedside lamp. Hand-made in Poland, using timeless materials.
