## Product Description

Advent calendar A4 - Santa Claus in Town

Expectant, amazed, excited and some a little anxious. After all, the tall man with the red coat and the beard is an impressive appearance. Nevertheless, all children in the Advent calendar with the Christmas motive "Santa Claus in Town" are present on the market place. Everybody wants to know if the wishes are fulfilled by the long list. It will be a few weeks before the gift is distributed. This time is sweetened every day with a beautiful illustration behind the doors of the Advent calendar.
