Product Description

Christmas Card - Star-Singer

This beautiful Christmas card with the Christmas motive "Star-Singer" is a reprint from the 60s. It shows the tradition of the children wandering the world between Christmas and January 6th, who are disguised as the Three Wise Men and ask for donations. Like all our Christmas cards, this one also impresses with its richness of detail. Of course the biblical astrologers Caspar, Melchior and Balthasar with their magnificent robes are in the centre of attention. However, the surroundings are just as detailed.
