Product Description

Incense Cones - Frankincense/Myrrh, 24 pieces

KNOX incense cones so good ... selected raw materials of the highest quality are freshly ground and immediately further processed. Dried in a gentle process, the natural raw materials and ingredients are preserved and give the incense cone from old, traditional recipes their unmistakable aroma and traditional scent.

The incense cones are almost indefinitely durable without losing their pleasant fragrance.

Suitable for Smokers from a size of 15 cm and the popular metal Smoker house!
