Product Description

Frog

One of the most beautiful native frogs is the five-centimetre tree frog: it is bright green and has a black stripe on each side. Frogs have many lovers and are a special collector's item. This porcelain figure from the house W&A is a popular gift or souvenir, which makes the heart of frog friends beat faster.

Wagner & Apel is a traditional manufactory from Thuringia. A lot of dedication, patience and craftsmanship flows into every model shape. Far away from industrial mass production, every figure, every animal sculpture and every single gift item receives the greatest attention. Only by hand can fine porcelain be transformed into unique favourites.
