### Product Description

#### Ale-Bench decorated with "Oktoberfest" Snack

Let us introduce you to our wonderful world of miniatures. We have put together many small arrangements which are suitable for every occasion.

Our furniture and accessories are crafted in scale 1:12 and fit perfectly in every doll house or miniature setting in that scale. Skilled workmanship and attention to detail give our miniatures that special Reutter look. All our gold decorated porcelain pieces are hand painted in 24k gold and fired in a kiln up to three times at 800°C (1470°F). Our miniature masterpieces fascinate people all over the world and stimulate a passion for collecting.

Everything from Reutter Porzellan is decorated with love to detail and carefully made by hand, so for sure you will get your own little unique own. Our miniature products are not suitable for children under 14 years old. Dimensions refer to the table without decoration.

- Weight: 76 g
