Product Description

TRIGG - Wall Vessel, small, white/brass

Use Trigg as a planter to add lush greenery to your space, in a stylish, unique fashion. Trigg creates an instant graphic impact, with its sharp, eye-catching diamond wire frame, and sleek finish. The product can safely nestle small succulents, air plants, mini cacti, faux succulents and faux sedums, in addition to household items like stationery. These small vessels are sold in a set of two and are particularly compelling décor when installed in multiples.
