Product Description

AQUALA Bathtub Caddy, natural

Inspired by the technology people use during their leisure time, Aquala was redesigned to accommodate the growing needs of our modern customer. The Aquala Bath Caddy is luxury in its simplest form. The new iteration of the caddy keeps your essentials on hand and fits books, tablets, phones, glasses (including stemware) of different sizes. This bathtub caddy will keep all of your bath essentials organized to ensure a tranquil time of relaxation.

Aquala's new design features a sturdy slot for your phone, a double hook for your loofah, a new wine glass holder and an additional middle bar for extra support to prop up your book, magazine or tablet.

Aquala Bathtub Caddy puts everything at your fingertips so you can relax in peace and quiet while you enjoy a warm, soothing bath together with a glass of wine and your favorite book.

Aquala extends to a maximum of 94 cm ensuring it will fit most bathtubs plus each arm features a thin layer of silicone to help prevent the caddy from sliding from the tubs edges. Umbra is an international design company known for original, modern, cool, functional and affordable products for home & living.
