Product Description

CASA tissue box in house form, white

Casa's playful design makes your standard square tissue box a lot less boring.

Our tissue box holder is shaped like a house with a tiny chimney stack that dispenses your tissue, making it look like a little cloud of smoke.

Perfect for disguising standard boutique (cube-shaped) tissue boxes and adding a decorative touch to your bathroom, bedroom, or any other room in your home or office. Casa measures 5 x 6 3/4 x 5 inches (13 x 17 x 13 cm) and is made from durable, easy-to-clean polypropylene.
