Product Description

DROPLET TUMBLER, clear

The Umbra Droplet Toothbrush Cup is a toothbrush holder, mouth cup and cup for make-up brushes made of acrylic glass.

The Droplet Bathroom Tumbler from Umbra is simple in style and form. Made from crystal clear, heavy-duty, molded acrylic, it is break-resistant and perfect for bathroom or kitchen use. This tumbler measures 10 cm with 9 cm diameter. Coordinate your look with the entire Droplet Bath Accessory Collection. Droplet has a clean, minimalist design, emulating tranquility through its teardrop shape and transparent color. Droplets wide brim allows it to store large quantities of liquid and makes the tumbler easy to grip.

Umbra is an international design company known for original, modern, cool, functional and affordable products for home & living.
