Manufacturer: Umbra

Product Description

TOUCH Toothbrush Holder, white

The toothbrush holder by Umbra is made of robust melamine and is practically unbreakable, which makes it particularly suitable for the bathroom or kitchen. It also has three separate compartments. The larger compartment is suitable for toothpaste tubes, for example, while the two smaller compartments are suitable for toothbrushes and other bathroom accessories. It is made of matte, soft-touch melamine, which is easy to clean. Its simple design takes up minimal space on the washstand (9.5 x 8 x 10 cm).

The toothbrush holder is part of the Touch bathroom collection, which was created for Umbra by designer Alan Wisniewski. This collection also includes soap dish (3355545), bathroom trash can (335561), toilet brush (335558) and soap dispenser (335550). In addition, the Touch collection is available in various classic and trendy colors, such as gray (335553), ocean blue (335554), blush pink (335552) and black (335551).

- Designer: Alan Wisniewski
- Material: Abs (main)
- Weight: 100 g
- Colour: White
- Packaging dimensions (L x W x H): 10 x 8 x 10 cm (4.01 x 3.22 x 3.93 in)
