Product Description

TOUCH Toilet brush, white

With its compact size (9 dia. x 44.5 cm) and clean, curved lines that are pleasing to the eye yet unobtrusive, the Touch toilet brush holder remains discreet while stowed next to your toilet. It is made of a matte, soft, molded material that is easy to clean and very durable.

The surface feels soft and smooth and looks good too. The holder comes with a simple brush with a chrome handle. Refill packs for bristle heads are available in stores. Touch has a weighted base, i.e. it does not tip over and remains stable when you remove and reinsert the brush.

The toilet brush is part of the Touch bathroom collection, which was created for Umbra by designer Alan Wisniewski. This collection also includes soap dish (3355545), bathroom trash can (335561), toothbrush holder (335555) and soap dispenser (335550). In addition, the Touch collection is available in various classic and trendy colors, such as black (335556) and gray (335557).
