Product Description

PICKET Rail Hook, walnut

Umbra Picket with 5 coat hooks is a coat rail and modern wall decoration made of sanded pine wood.

You can never have enough storage space, and best of all one that doesn't need extra space. With this coat rail you get two products in one: a coat rack with folding hooks and at the same time an art object for your walls.

We present Picket from Umbra: At first sight, Picket looks like an object of art with its beautiful design and round bars of pine wood. Picket has 5 folding hooks, each of which can be loaded with up to 2.3 kg. When Picket is not in use and its hooks are folded up, this coat rail looks like a piece of art.

Place several Picket coat rails next to each other and turn your wall into a gallery. This beautiful coat rail can be installed in no time at all using the supplied mounting materials. The wardrobe is made of natural pine wood and measures 38 x 16.5 x 4.5 cm. This 2-in-1 product is a convincing alternative to the classic coat rail, order your Picket today.

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.
