44901000690 - K-Flex

from **4,59 EUR**

Item no.: 336678

shipping weight: 0.10 kg

Manufacturer: KED Helmsysteme

Product Description

K-Flex

The K-Flex system combines precise fine adjustment with optimum ergonomics. This results in the best wearing comfort and thus a high acceptance of the helmet. The system itself is filigree, light and innovatively designed, yet remains particularly light and can be safely adapted to the wearer by individual 360° size adjustment.
