### Product Description

LOOKOUT picture frame 13 x 18 cm made of wood, natural

Umbra Lookout is a 13 x 18 cm wooden picture frame for setting up and hanging, table picture frames and wall picture frames for portrait and landscape formats.

Lookout is a solid wood frame with an unusual angle design. This modern picture frame is perfect for standing or hanging on the wall. All necessary mounting materials are included in the scope of delivery. Lookout is available in different designs and sizes (10x15 cm and 13x18 cm). Lookout's frame is a perfect square that is ideal for creating a grid design by placing several Lookout frames next to each other.

Are you looking for a modern and contemporary picture frame that really stages your favorite pictures? Then order your Lookout picture frame from Umbra today!

About Umbra: Umbra is an international design company that specializes in original, modern, cool, functional and affordable products for living & amp; Life is known.
