Fine scents and soothing smoke seduce our senses in an extraordinary way. The magic of exquisite ingredients unfolds its sensual magic in the fragrance creations of the "Sensual Magic" series. Whether in the bathroom, in the sauna or while relaxing - with these wellness fragrances you leave everyday life behind you.

This fragrance shines lovely and tempting like a luxurious perfume. Fall in love with this flower garden of pink jasmine, lily of the valley, fresh orange blossom and sweet vanilla. You can easily sense powdery notes of clove, musk and sandalwood in the background.

The original Crottendorfer incense cones are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more.

Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.
