from **2,07 EUR**

Item no.: 343849

shipping weight: 0.10 kg

Manufacturer: Crottendorfer Räucherkerzen GmbH

Product Description

Incense plate made of brass

Tip: Please place the incense plate on a fireproof base when burning incense cones - the material gets hot!

All incense burners (especially the incense holder) should be cleaned regularly. By burning several incense cones, resin and fragrance deposits form, which smell unpleasant and can smoke very heavily when smoldering. You should therefore regularly clean your censer with warm water, soap and a brush.

- Height: 0.5 cm
- Dorch knife: approx. 3 cm
- Color: brass
- Material: brass
