Product Description

Gift set Spanschachtel 90+

With our wonderful gift sets for smoking and fragrance fans, you will find everything you need to start smoking straight away. The most popular incense cones in a box:

- 10 incense candles for Christmas incense, size XL
- 30 pieces of incense cones, pine scent, size M
- 50 incense candles for Christmas incense, size M
- 1 brass bowl (similar to picture)
- 1 lighter

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "royal powder" frankincense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or balsam of Peru. The candles are then shaped, dried and packaged from this raw pulp.
