Product Description

The thermo function of the double-walled stainless steel salad bowl also effortlessly keeps pudding or soup at the appropriate temperature in a secondary function. An ultra-cool design object with clip-together cutlery that fits snugly on the rim of the bowl.

No matter what you want to use INSALATA for, whether for barbecuing with family and friends, for serving your food in style or simply for sitting together in comfort.

The high-quality and robust stainless steel makes INSALATA a loyal kitchen utensil that you will enjoy for a long time. INSALATA is stainless, dishwasher-safe and dimensionally stable.

INSALATA is double-walled. This means that your food stays hot or cold in it for longer. On its specially designed rim, the stylish salad servers always have a place when not in use. Well thought out

Caution. Not suitable for children under 36 months.
