Esmeralda Vase, S

from **44,25 EUR**

Item no.: 362465
shipping weight: 0.60 kg
Manufacturer: Philippi Design

Product Description

At first glance, ESMERALDA is one thing above all: amazing. A unique design object in which the actual vase floats in a glass container. This amazing effect is further enhanced by the contrast of clear and matt glass - a highlight for every blossom. ESMERALDA is handcrafted from two parts using the classic mouth-blowing technique.

Caution! Not suitable for children under 36 months.
