Product Description

DESIGN REMAINS DESIGN

The decorative stainless steel bowls from the series of the same name impressively demonstrate how you can still be SOLO even with three people. At parties, birthdays and events, they provide guests with snacks, nuts, fruit or crisps. Removed from the steel frame with a handle, they are easy to clean and enjoy a long, long, long life, not least thanks to the timeless design by Mike Ruch.

- The small bowls are ideal for snacks, nuts, fruit or crisps and make a decorative trio of bowls at parties, birthdays and events
- The bowls are made of high-quality stainless steel, have a long life and are easy to clean
- The minimal frame has a black powder coating and offers the stainless steel bowls a secure support without being firmly connected to each other.
- Material: Bowl made of highly polished stainless steel - frame made of powder-coated metal
- Weight: 691 g
