Product Description

In the game of kings, it's important to keep a clear head - which shouldn't be too difficult when looking at YAP. 32 figures made of transparent, hand-polished acrylic glass provide the necessary perspective. The lid of the box, which is also made of acrylic, also serves as a chessboard. How practical. And before we forget: YAP is also a wonderful gift. Now it's your turn!

Attention! Not suitable for children under 36 months.
