Product Description

Four differently grained wooden handles - one shape. The extra-sharp GARRY set brings life to the well-decorated table and, quite incidentally, ensures that mix-ups at the table are ruled out.

A timeless design combined with an elegant appearance! The four elegantly curved extra-sharp knives delight with their different handles made of brown and black-brown ebony, red-brown rosewood and light olive wood.

The steak knife set comes in a high-quality black gift box and is the perfect gift for meat lovers.

Caution. Not suitable for children under 36 months.
