Product Description

Advent calendar "Vienna City Hall"

The cosmopolitan city of Vienna on the beautiful blue Danube is a must in our advent calendar range. The old town of Vienna is characterized by the Habsburg regency and the imperial era. The magnificent architecture of Vienna's Old Town and Schönbrunn Palace are UNESCO World Heritage Sites. Vienna is one of the tourist highlights in Europe and nobody can escape its charm. St. Stephen's Cathedral, Schönbrunn Palace, the Hofburg and Albertina, Belvedere Palace, the Spanish Riding School and the Giant Ferris Wheel in the Prater are some of the most visited sights in Vienna. Well-known composers also moved to Vienna, so Beethoven, Haydn and above all Mozart were active here, just to name a few.

Our advent Calendar shows the Vienna City Hall, built from 1872-1883. The Vienna City Hall is the seat of the government. The traditional Christmas market "Wiener Adventszauber" takes place on Rathausplatz every year and is one of many Christmas markets in Vienna. Behind the 24 windows of our advent calendar are lovingly painted little pictures with regional and Christmas motifs waiting to give you pleasure when opening.
