### Product Description

#### Christmas tree SPIRA LARGE OVAL

The same silhouette from the side, but almost half the width of the standard Spira trees, it is a perfect Christmas tree for tighter spaces. Timelessly simple yet refined design with plenty of space for gifts underneath. Natural feel and smell of wood as well as countless decoration options create a festive Christmas feeling in your home.

Spira is quick to set up and requires no tools. Simply assemble the stand, take the spiral with the support board and place it over the pole. Proceed carefully, you can pass it on to your grandchildren.

Spira is a product made with love under the Alps. It is handmade by skilled craftsmen. We only make what inspires us and what we are truly passionate about. We focus on every detail and have made it our mission to develop technical perfection. Nothing is left to chance.
