Product Description

SPIRA GEO Decoration large (14 pieces)

A set of wooden ornaments in various geometric shapes is an excellent choice for modern and classic interiors. The timeless design and warmth of the wood make for the perfect Christmas decoration in any home.

The set contains 14 wooden ornaments in 5 geometric shapes. Each kit also includes cords for easy installation.

Christmas ornament collections are often passed down from generation to generation. When designing the collection of ornaments you see right now, we wanted to combine timeless design, natural shapes and unique wood properties. The result is geometric ornaments that will brighten up the holidays for you, as well as generations to come.

Spira is a product made with love under the Alps. It is handmade by skilled craftsmen. We only make what inspires us and what we are truly passionate about. We focus on every detail and have made it our mission to develop technical perfection. Nothing is left to chance.
