### Product Description

#### Mini Advent Calendar - The Jesus Child

The mini Advent calendar shows the Christian scene with the Child Jesus in the stable surrounded by the nocturnal city of Bethlehem. The Advent calendar provides a good opportunity to give children an understanding of the background of the famous nativity scene. Why was Maria forced to give birth to her child in a stable? How did the Three Wise Men know about this? These and many more questions can be cleverly answered with this beautifully illustrated calendar.

Format

length: 16,5cm

width: 12,0cm
