Product Description

CONCEAL Floating Shelves made of metal, set of 3, silver, large

This wall shelf in a practical set of 3 is made of powder-coated metal. Its unique design makes it invisible, making it seem as if the books are floating on the wall. All you have to do is to fix the spine of the book in the lip, which is on both sides.

The three shelves can be mounted on the wall in different formations, either grouped or individually, straight in a row or offset.

The set also harmonizes perfectly with other interior design styles.

Conceal is available in two sizes: the small shelf set (335590) measures 13 x 13 x 14 cm each and holds up to 7 kg each, the large shelf set (335589) measures 14 x 18 x 16.5 cm each and holds up to 9 kg each.
