### Product Description

#### CUBIKO Entryway Organizer, black

One of the best solutions for living in small spaces is to maximise the potential of ordinary everyday objects by integrating additional storage space. We introduce the Cubiko Organizer wall mirror with shelf by Umbra.

Cubiko is both a decorative mirror and a practical shelf, and therefore fits anywhere in the home where extra storage space is needed. The concealed shelf behind this modern mirror offers space and storage for your personal belongings. Cubiko can be used as a key and accessory shelf in the entrance, as a vanity mirror or mirror cabinet in the bathroom or anywhere else you need a beautiful mirror and extra storage space.

Made of powder-coated metal, Cubiko is guaranteed rust-free and can be easily cleaned with a damp cloth. For this reason, it is particularly suitable for the bathroom or other highly frequented areas in your house. Cubiko Organizer measures 32 x 10 x 20 cm and also has 5 integrated hooks that provide extra storage space for accessories such as scarves, bags, jackets and dog leads.

Cubiko Organizer is part of the Cubiko Mirror series consisting of the Cirko round mirror (51 cm diameter) with 2 storage compartments and Cubiko Mirror (30 x 13 x 62 cm) with 3 storage compartments. The storage surface of all mirrors is concealed and accessible from both sides. Make order and bring new life into your interior, order your Cubiko Organizer from Umbra today!
