Product Description

Incense cones spice scent M, 24 pieces

Enjoy fruity scents all year round.

This smoky scent quickly develops a spicy, warm atmosphere. Invigorating clove, aspects of anise and nutmeg are combined with aromatic nuances of cinnamon. You can easily sense delicate accords of sweet vanilla and golden shimmering honey. A fragrance that embraces the senses and soul.

The original Crottendorfer incense cones are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more.

Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.

Use a sufficiently large censer for every incense cone size!
