Product Description

Duftique - Christmas fragrances & Santali fragrances

A small selection of fragrances to get to know:

- Christmas fragrances: Christmas. Frankincense, pine scent, sandalwood scent, forest honey, forest moss, three king scent, ore. Christmas scent, cinnamon apple, advent scent, vanilla, fireplace magic, winter orange, winter dream, incense balm.
- Santali: opium, oriental, patchouli, pepper-citrus.

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "royal powder" frankincense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or balsam of Peru. The candles are then shaped, dried and packaged from this raw pulp.

Santali - Oriental fragrance compositions: Based on the Santali series of the 1960s, the fragrance ensemble has been relaunched with new, seductive creations. You will find some of the fragrance compositions typical of the Orient in this "Santali" series. Let yourself be enchanted by dreamy scents and immerse yourself in a world of fantasy - like in 1001 nights.

Original Crottendorfer Christmas fragrances - the guarantee for an atmospheric Advent and Christmas season. Frankincense: a cleansing substance for body and soul or also called "fragrant gemstone". This intensely fragrant tree resin is a remedy, antiseptic, fragrance and incense at the same time and is also used in religious ceremonies.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.
