Product Description

Barometer "Orchid", Ø 22 cm, Metal, Galvanized

The NeXtime "Orchid" is a metal garden barometer that can be used outside. The use of extra rubber rings to protect the water from reaching the delicate parts of the barometer is making this meter special and weatherproof. The barometer is robust and from metal and with Ø 22cm, it will fit everywhere. The dial is white and has numbers and drawings for easy understanding of the current air pressure. Because of the black hand, the meter is easy to read. The meter doesn't need any batteries.
