Umbra Exhibit Photo Collage Picture Frame is a flexible picture frame set for horizontal and diagonal mounting, for 9 photos, art prints and pictures in the size 13 x 18 cm and 20 x 25 cm.

Exhibit consists of a metal rail with wall brackets to which 9 glass picture frames of different sizes are attached. The chains with the picture frames can be easily moved within the metal rail. Exhibit's flexible orientation makes it the ideal collage for the staircase, as it can be placed at an angle. Add a modern decor accent to your living room, bedroom, office, studio or entryway with Exhibit while curating your favourite photos and artwork. The frames are rotatable and can be used in both landscape and portrait format.

The set includes five 20 x 25 cm frames and four 13 x 18 cm frames. Exhibit is unique not only because of its shape, but also because of its functionality. Exhibit is a great living room accessory that flatters numerous interior design styles.
