Product Description

FINN extendable curtain rod 107 - 305 with 2.5 cm diameter

Umbra Finn is an extendable curtain rod with a diameter of 2.5 cm.

Inspired by paper pendants, Finn features a textured, pleated flower with repeating folds. It suits a variety of windows and interior styles. Made of steel, the curtain rod is sturdy and has an attractive design.

Finn curtain rod with a diameter of 2.5 cm is suitable for curtains weighing up to 10 kg. Includes all necessary fixing materials for easy installation. This curtain rod is made with a more environmentally friendly coating. This produces 85% less water and solid waste than conventional galvanic coatings.
