BUBBLES bookend

from **53,08 EUR**

Item no.: 362364
shipping weight: 1.50 kg
Manufacturer: Philippi Design

Product Description

BOOKEND FOR LITERATURE

Weighty in stance and yet so light, 10 silver spheres cling to each other like thought bubbles to form a bookend. Whether Tolstoy, Shakespeare or Lindgren - the shiny, polished exterior of BUBBLES gives collected literature a new grace and invites you to read. Individually or in pairs? That is not the question. 100% reliable (back) support is the maxim here.

Material: stainless steel, polished, 14 (h) cm

Weight: 1,62 kg
