Pep tealight holder L, 2 pcs.

from **29,00 EUR**

Item no.: 362375
shipping weight: 0.20 kg
Manufacturer: Philippi Design

Product Description

Because opposites have magically attracted each other ever since the discovery of fire, the highly polished stainless steel surface of PEP feels particularly at home on wooden tables. The futuristic cube shape with the side slits immerses the surroundings in an enchanting play of light and sets cosy accents in all rooms of the house. Modernity and romance congenially combined.

Caution! Not suitable for children under 36 months.

- Material: highly polished stainless steel
- Weight: 208 g
