

Item no.: 362432

129008 - COCOON Champagne Cooler + Tulip Vase

from **169,03 EUR**

Item no.: 362432
shipping weight: 0.90 kg
Manufacturer: Philippi Design

Product Description

PURE LUXURY: Opulent design with representatively large opening for easy removal

OPTIMAL COOLING: In the inclined position, the entire bottle is kept cold - there is no need to constantly press it into the ice

SHOW EFFECT: Alternatively decorated with a lush tulip bouquet, the eye-catcher par excellence

Champagne and tulips cannot be presented in a more noble way - in the best case paired next to each other! COCOON is an exquisite piece of craftsmanship, high quality and elegant. Whether used as a champagne cooler or as a tulip vase, the noble drop as well as the enchanting flowers are given a more than unusual appearance in COCOON, bedded in highly polished stainless steel.

- Material: stainless steel, highly polished, 42 cm (l)
- Weight: 1,63 kg

Dimensions:

- Length: 41 cm
- Width: 15 cm
- Height: 14 cm
