

Item no.: 362437

Negretto Etagere

from **142,45 EUR**

Item no.: 362437
shipping weight: 1.70 kg
Manufacturer: Philippi Design

Product Description

All products in the NEGRETTO family have what it takes to become classics, beyond all doubt. A pleasantly soft, femininely rounded design language that flatters the eye of the beholder with maximum timelessness. Its high-quality metal finish throughout lends additional weight to the design. The interior surfaces, on the other hand, have a resistant, high-gloss coating of enamel and contrast beautifully with the matt surface of the exterior areas. Whether surfaces finished with piano lacquer, walls made of formwork-smoothed concrete or rough woods with a vintage look - the three-tiered etagere blends seamlessly into any interior design-ambitious environment. The splashes of colour created by filling it with fruit or macarons put the icing on the cake for NEGRETTO.

Caution! Not suitable for children under 36 months.

- Material: aluminium - black enamelled inside - black powder-coated outside
- Weight: 2,83 kg
- Length: 31 cm
- Width: 31 cm
- Height: 42 cm
